Coffee delivery time

Active "Reserve mode"

THE CREATIVE CONCEPT

The artistic concept is rooted in LELIT's core values of movement and action. Like a dance, flowing forms trace the machine's surface, expressing a story of continuous energy that mirrors the brand's journey. This motion originates from a hand, symbolizing human craftsmanship, holding a coffee bean: a small gesture that generates exceptional performance.

Stainless steel steam boiler: 1.5 l

Stainless steel coffee boiler: 800 ml

Water tank: 2.5 l

Dimensions LxDxH: 29x58.5x39 cm

Weight: 26.6 kg
