Mug friendly

Where craft and design converge

MaraX3 is the coffee machine that gives you full control over extraction, from the pump to the L58E group, thanks to Pagaia. A new visual design language, premium wood finishes, and iconic details come together to create the new LELIT coffee experience.

Pagaia

Take control. Shape the flow. Pagaia is LELIT's patented electronic flow control system, engineered to deliver uncompromising precision and full extraction customization in every cup.

Featuring an ergonomic lever and refined Italian craftsmanship, Pagaia combines performance and control, transforming every brew into a truly powerful coffee experience.

Boiler: 1.8 l with AISI316L stainless steel heat-exchanger

Water tank: 2.5 l

Dimensions LxDxH: 25.5x53.5x38.5 cm

Weight: 18.30 kg

DELIVERED WITH

LELIT58 2-ways portafilter with smoked oak wooden handle and Coffee Slide spout (new iconic gem-shaped design)

LELIT58 1 dose filter (9-11 g), IMS

LELIT58 2 doses filter (14-18 g), IMS

LELIT58 2 doses filter (18-21 g), IMS

LELIT58 blind filter for backflushing, IMS

LELIT58 stainless steel tamper with smoked oak wooden handle and new iconic gem-shaped design

Cup rack

70 l water softener filter

First cleaning kit (envelope with n.3 detergent powder single-dose bags and 1 single-dose bottle, L58E LELIT group gasket)

Small brush with nylon bristles for group head cleaning

High-feet kit (box including easy assembly instructions)

LELIT CODE & PLUG

PL62X3-1B82

120V 60 Hz | Plug Type B

MaraX3
